

Build Your AI Marketing Team with Agents

Albert Chan + Onigiri (Personalized ChatGPT Dot)

60-minute beginner course with a guided exercise

Your 60-minute course route

Includes a ten-minute
guided exercise.

01 Brief the campaign

02 Create reusable skills

03 Assign specialist roles

04 Create your ad concept

05 Review and choose next steps

Choose your surface

One campaign uses several connected capabilities.

- + ChatGPT Work
Prepare campaign research and documents.

- + Codex
Manage local files, skills, and checks.

- + Onigiri (Personalized ChatGPT Dot)
Coordinate named tasks and written results.

- + Human owner
Review claims and approve external actions.

Voice starts a task

Keep its link, result, and pending decision in the conversation.

Check access before the lesson

Use the supplied fallback files when access is absent.

Work or Codex project
Prepared campaign folder

Dot access
Connected computer for local files

Image tool
Supplied artwork as fallback

Approved Slack channel
Classroom coordination only

Notion access
Calendar updates after approval

Sites access
Launch proposals for review

Account requirements
Reference slide 33

Local setup
Follow the learner workbook

Onigiri receives the campaign role

DEMO 02

KICKOFF PROMPT

Give Onigiri the Copper Cup context and ask it to coordinate drafts, previews, and review decisions.

Copy the full prompt from speaker notes.

Recording for Prompt 02

Project role, available connections, and clear review boundaries.

Suggested clip length 30 seconds

One lead and five specialists

Your review checkpoint

Onigiri coordinates project access and reviews the combined package.

+ **Growth Strategist**

Campaign choices and an experiment brief.

+ **Content Creator**

Audience copy and guide content.

+ **Creative Designer**

Artwork, visual concepts, and image prompts.

+ **Website Designer**

Page preview and editable source.

+ **Growth Analyst**

Metric calculations, findings, and caveats.

Copper Cup Discovery Box

A fictional coffee campaign for busy professionals brewing at home.

PRODUCT

Three 100 g coffee bags

PRICE

USD 29 plus USD 5 shipping

AUDIENCE HYPOTHESIS

Home brewers exploring roast styles

REVIEW CHECKPOINT

Keep the offer consistent across ads, pages, and content.

Voice starts the task and leaves a written result

DEMO E

FOLLOW-UP E

Start a separate campaign task and return its written link, checked result, and pending decisions.

Copy the full prompt from speaker notes.

Recording for Follow-up E

A separate task, a written link, and a checked campaign handoff.

Suggested clip length 90 seconds

Shared context guides the campaign

DEMO 01

KICKOFF PROMPT

Create the Copper Cup project with brand context, briefs, specialist roles, reusable skills, and named outputs.

Copy the full prompt from speaker notes.

Recording for Prompt 01

A project folder with brand context, briefs, roles, skills, and campaign outputs.

Suggested clip length 90 seconds

A reusable skill gives ads a process

DEMO 03

KICKOFF PROMPT

Create an ad skill that reads the brief, drafts concepts, generates artwork, and checks supported claims.

Copy the full prompt from speaker notes.

Recording for Prompt 03

A reusable ad skill with its frontmatter and completion checks.

Suggested clip length 75 seconds

One brief produces three ad concepts

DEMO 04

KICKOFF PROMPT

Create three Instagram ad concepts and images. Return image prompts, alt text, and supported claims for review.

Copy the full prompt from speaker notes.

Recording for Prompt 04

Three ad concepts and an artwork review package.

Suggested clip length 90 seconds

Three angles, one offer

Each concept uses the approved Discovery Box brief.

Roast discovery

Morning brewing

Home office ritual

The website skill keeps the offer consistent

DEMO 05

KICKOFF PROMPT

Create a website skill that preserves the offer and returns a responsive preview with editable source files.

Copy the full prompt from speaker notes.

Recording for Prompt 05

A website skill with review and preview checks.

Suggested clip length 60 seconds

Onigiri hands off the offer page

DEMO 06

KICKOFF PROMPT

Build the Discovery Box offer page with consistent product details, price, shipping, and campaign CTA.

Copy the full prompt from speaker notes.

Recording for Prompt 06

An offer page preview and editable source files.

Suggested clip length 90 seconds

Give the campaign a process and an owner

A reusable skill, a specialist role, and a human review gate.

Ad creation process

Reads the brief, drafts concepts, and checks offer consistency.

Creative Designer

Owns the artwork package and returns the requested files.

Campaign owner

Checks sources and approves sending, launch, and spending.

Skills cover the campaign

Use a repeatable process and inspect its output.

Workflow	Reusable skill	Reviewed output
Ad concepts	Ad creative	Concepts and artwork
Offer page	Website builder	Responsive preview
Campaign direction	Campaign strategy	Experiment brief
Two-week content	Social content	Six post folders
Campaign evidence	Performance analysis	Metric findings
Lead campaign	Lead magnet + review	Guide and page

Give each agent a lasting role

Growth Strategist working boundaries

OWNS

Supported growth plan

INPUTS

Brief, context, and sample data

MAY

Compare data and draft tests

ASKS BEFORE

Sending, publishing, or spending

WHEN UNSURE

Flag missing evidence or access

DONE WHEN

Sources, gaps, and next test saved

STABLE ROLE

Keep its responsibility consistent

NEW ASSIGNMENT

Send each campaign task separately

The Growth Strategist gains a clear role

DEMO 07

KICKOFF PROMPT

Create the Growth Strategist role with campaign inputs, named outputs, and human review before spending or launch.

Copy the full prompt from speaker notes.

Recording for Prompt 07

A named strategy role with clear responsibility.

Suggested clip length 60 seconds

A growth goal becomes a testable plan

DEMO 08

KICKOFF PROMPT

Analyze the sample data and propose a growth test.
Separate leads from purchases and show your calculations.

Copy the full prompt from speaker notes.

Recording for Prompt 08

Metric findings, a strategy, and an experiment brief.

Suggested clip length 90 seconds

The Content Creator prepares review assets

DEMO 09

KICKOFF PROMPT

Create the Content Creator role for audience copy, visual briefs, image prompts, alt text, and a draft schedule.

Copy the full prompt from speaker notes.

Recording for Prompt 09

A content role with traceable source outputs.

Suggested clip length 30 seconds

Limit access to the campaign's needs

Drafts can be ready while publishing awaits approval.

01

Read and draft

Read the brief and prepare campaign drafts.

02

Approved updates

Update only the calendar and fields you approved.

03

Specific approval

Confirm sends, launches, spending, and access changes.

A Slack request coordinates specialists

DEMO 10

KICKOFF PROMPT

Prepare two weeks of social content. Return six post folders, a review PDF, and a draft schedule.

Copy the full prompt from speaker notes.

Recording for Prompt 10

Six post folders, a review PDF, and a draft schedule.

Suggested clip length 90 seconds

Six drafts become a proposed schedule

DEMO 11

KICKOFF PROMPT

Propose dates for six draft posts.
Request the start date, time zone, and destination before an approved write.

Copy the full prompt from speaker notes.

Recording for Prompt 11

A schedule proposal with the missing inputs identified.

Suggested clip length 75 seconds

Routing gives each request an owner

DEMO 12

KICKOFF PROMPT

Route repeatable tasks through skills and broader campaign goals to specialist roles with one review owner.

Copy the full prompt from speaker notes.

Recording for Prompt 12

Routing instructions with output paths and a final reviewer.

Suggested clip length 60 seconds

Campaign metrics

720

Page visits

144

Leads

20%

Lead conversion

USD 400

Spend

USD 2.78

Cost per lead

18

Orders

USD 22.22

Cost per order

Brew guide Synthetic example

Lead conversion
 $144 \div 720 = 20\%$

Cost per lead
 $\text{USD } 400 \div 144 = \text{USD } 2.78$

Discovery Box has USD 16.67 cost per order. Different objectives limit the comparison.

The team builds a guide and download page

DEMO 13

KICKOFF PROMPT

Coordinate a ten-page brewing guide, artwork, analysis, and a local download-page preview.

Copy the full prompt from speaker notes.

Recording for Prompt 13

A ten-page guide, cover, metric findings, and local form preview.

Suggested clip length 120 seconds

Your ten-minute ad exercise

Use prompt 14 with the Discovery Box brief.

MINUTES 0–2

Choose one angle

Read the brief and select one audience need.

MINUTES 2–7

Create one concept

Paste prompt 14 and review the copy and image.

MINUTES 7–10

Check and share

Confirm the offer, revise a claim, and show your result.

A review names the next revision

DEMO 15

KICKOFF PROMPT

Review claims,
audience fit, CTA
consistency,
artwork, and alt text.
Return specific fixes
and a launch
recommendation.

Copy the full prompt
from speaker notes.

Recording for Prompt 15

A review checklist with specific evidence and revisions.

Suggested clip length 30 seconds

Rehearse, repair, and retest

Track accepted results, corrections, time, and cost.

STAGE

¹ **Observe a draft**

Record missing inputs and unsupported guesses.

STAGE 2

Repair the rule

Fix the instruction or handoff causing the failure.

STAGE 3

Vary the case

Test missing shipping data or an unsupported claim.

Expand autonomy after evidence

Your review checkpoint

You approve each new permission. Keep classroom tasks draft-only.

+ **Observe**

Read the campaign sources and change nothing.

+ **Prepare**

Create supported drafts and reversible previews.

+ **Await review**

Hold sends and launch decisions for the owner.

+ **Schedule**

Repeat approved drafts within bounded routines.

+ **Coordinate**

Route tasks and return one checked package.

A launch proposal defines the next steps

DEMO 16

KICKOFF PROMPT

Prepare a Sites launch proposal covering data storage, consent, privacy, email delivery, and spam protection.

Copy the full prompt from speaker notes.

Recording for Prompt 16

A deployment proposal and an approval checkpoint.

Suggested clip length 30 seconds

A daily brief and a focused follow-up check

OPTIONAL

FOLLOW-UP G

Draft today's marketing brief, then propose a weekday update and bounded follow-up check. Keep schedules disabled.

Copy the full prompt from speaker notes.

Recording for Follow-up G

A decision-first brief and two schedule proposals awaiting review.

Suggested clip length 75 seconds

Account requirements and rollout

Dot guidance checked October 10, 2026

Adults outside EEA, UK, Switzerland

Business Premium
Worldwide rollout

Enterprise
Administrator enablement

Work / Codex tasks
Their product limits apply

Connected computer
Required for local files and skills

Slack, Notion, and Sites
Each needs separate access

Classroom fallback
Use prepared recordings and files

Product availability
Check your account before class

Your complete teaching kit

Your review checkpoint

Open the workbook, copy a prompt, inspect its inputs, and check the result.

+ **Context and briefs**

Fictional brand facts and two campaign briefs.

+ **Roles and reusable skills**

Six specialist roles and eight skill folders.

+ **Prompts and instructor notes**

16 numbered prompts and seven follow-ups.

+ **Sample data and draft outputs**

Synthetic CSV, ads, pages, and review files.

+ **Recordings and course exports**

Demo checklists, deck PDF, and workbook.

Choose your next practice step

- + **Start with the project**

Prompts 01–02 confirm context and access.

- + **Create the campaign assets**

Prompts 03–13 cover skills and handoffs.

- + **Review your ad concept**

Prompts 14–16 cover checks and launch planning.

- + **Extend the coordination**

Follow-ups A–G cover roles, voice, Pages, and briefs.
